

Air-Dry Clay Ghost Tealight Holders

Beginner air-dry clay craft - 45 min hands-on + 24-72 h drying

WHAT YOU'LL NEED

- ☐ Air-dry clay, 1 lb (450 g) - makes 2-3 ghosts
- ☐ LED tealights, 2-3 (battery-operated)
- ☐ Wax paper or parchment paper
- ☐ Straw and pencil for pressing the face
- ☐ Small bowl of water + damp cloth
- ☐ Small cup or jar lid for the tealight seat
- ☐ Black acrylic paint + small brush (optional)
- ☐ Fine sandpaper, 220 grit (optional)

NOTES

Step by Step

- ☐ Knead the clay 1 minute until soft

- ☐ Roll a tennis-ball size ball, shape teardrop

- ☐ Flatten the bottom, pinch a wavy skirt

- ☐ Press an LED tealight into the top as a seat

- ☐ Poke eyes with a straw, mouth with a pencil

- ☐ Smooth with a damp fingertip; carve initials

- ☐ Air-dry 24-72 hours, turn every 12 hours

- ☐ Paint the face with black acrylic, dry 30 min

- ☐ Pop in an LED tealight and display
