

DIY Hand Embroidery Daisy Hoop

Beginner friendly, about 1.5-2 hours hands-on, only 5-10 minutes of pen-mark drying

WHAT YOU'LL NEED

- ☐ 6 in wooden embroidery hoop (1)

- ☐ Light cotton fabric, 9 x 9 in (1 piece)

- ☐ Embroidery floss white (1 skein)

- ☐ Embroidery floss butter yellow (1 skein)

- ☐ Embroidery floss sage green (1 skein)

- ☐ Embroidery needle, size 5-7 (1)

- ☐ Small sharp scissors (1)

- ☐ Water-erasable fabric pen or pencil (1)

- ☐ Coin to trace the flower center (1)

- ☐ Needle threader (optional)

- ☐ Ribbon or twine for hanging, 8 in (optional)

Step by Step

- ☐ Iron the fabric flat, then center it in the hoop.

- ☐ Tighten the outer ring so the fabric is taut.

- ☐ Trace the coin in the middle with the fabric pen.

- ☐ Draw 5 rounded petals around the circle.

- ☐ Add a curved stem and two small leaves below.

- ☐ Thread 2 floss strands and knot the tail.

- ☐ Back stitch along the stem with small stitches.

- ☐ Work lazy daisy stitches for petals and leaves.

- ☐ Fill the center with 6 to 8 French knots.

- ☐ Knot off at the back and trim the thread ends.

- ☐ Erase the pen marks with water or a warm iron.

- ☐ Trim the back fabric, then hang it with ribbon.
