

DIY Upcycled Sweater Pumpkins

Easy no-sew beginner project - about 30 minutes per pumpkin, no drying or curing time

WHAT YOU'LL NEED

- ☐ Old knit sweater (wool or cotton), 1

- ☐ Poly-fiberfill stuffing, 2 large handfuls per pumpkin

- ☐ Jute twine, about 1 m (or a few rubber bands)

- ☐ Cinnamon sticks or small twigs, 1 per pumpkin

- ☐ Fabric scissors

- ☐ Ruler or measuring tape

- ☐ Pencil or fabric chalk

- ☐ Hot glue gun + clear glue sticks (optional)

- ☐ Dry rice or beans (optional, for weight)
