

DIY Masquerade Mask for New Year's Eve

Beginner friendly; about 50 min hands-on plus 45-75 min drying time

WHAT YOU'LL NEED

☐ 2 sheets heavy cardstock, 110 lb (300 gsm)

☐ Pencil, eraser and a ruler

☐ Small sharp scissors

☐ Craft knife + cutting mat (adults only)

☐ Black acrylic craft paint, 2 oz

☐ Metallic gold paint or gold paint pen

☐ 2 foam brushes or sponge brushes

☐ Hot glue gun + 3 glue sticks (low-temp)

☐ 1.5 yards black lace trim, 1 inch wide

☐ 3-5 small craft feathers, black or gold

☐ Sequins, rhinestones and 2 gold beads

☐ 14 in of 1/4 in elastic, or 2 ribbons

☐ White glue or double-sided tape

☐ Tacky craft glue for feathers and gems

☐ Paper towels and a covered work surface

Step by Step

☐ Fold cardstock; draw half a mask from the fold

☐ Cut through both layers; unfold the mask

☐ Draw and cut two matching eye holes

☐ Cut a second layer; glue and press 15 minutes

☐ Paint the front black; let dry 20 minutes

☐ Dry-brush gold on edges, rims and center

☐ Hot-glue lace trim around the outer edge

☐ Glue a small feather fan at one corner

☐ Add sequins and beads along the brow line

☐ Attach elastic or ribbons to both sides

☐ Let all glue and paint dry 30 minutes
