— CHRISTMAS MEMORIES TO CAPTURE —

What made this Christmas feel like home?

A small moment I want to remember

Who made me laugh the most this year?

A tradition I hope we keep

Something I am grateful for this December

Our Christmas Traditions

Christmas Eve

Christmas morning

Our favorite meal

The decorations

The people we saw

A new tradition

Notes for Next Christmas

Something I want to do again next year

A person I want to see more often

One photo I never want to lose

A word for next December
