

Cardboard Loom Woven Wall Hanging

Beginner - about 2.5 hours hands-on, no drying time

WHAT YOU'LL NEED

- [ ] Sturdy corrugated cardboard, 10 x 14 in
- [ ] Cotton string or thin twine, about 30 yd
- [ ] Worsted or chunky yarn in 3-4 colors, 1 skein each
- [ ] 12 in wooden dowel or smooth stick
- [ ] Plastic tapestry needle (blunt tip)
- [ ] Scissors
- [ ] Ruler and pencil
- [ ] Masking tape
- [ ] Fork or wide-tooth comb
- [ ] Cotton string for the hanger, 2 ft

Step by Step

- [ ] Cut cardboard to 10 x 14 in and mark 1/2 in notches
- [ ] Wrap string around the notches to make the warp
- [ ] Tape the string ends to the back of the cardboard
- [ ] Weave yarn over and under, packing each row with a fork
- [ ] Change colors, leaving a 2 in tail at the back
- [ ] Weave until 1-2 in of bare warp remains at top
- [ ] Cut warp at the back and ease out the cardboard
- [ ] Tie top warp ends around the dowel and add a hanger
