

Paper Bag Stars: Giant NYE Window Decor

Beginner, about 30 minutes hands-on plus 45 minutes drying

WHAT YOU'LL NEED

- [ ] 9 brown paper lunch bags, same size (about 5 x 10 in)
- [ ] White craft glue or strong double-sided tape
- [ ] Scrap card or small foam brush for spreading glue
- [ ] Sharp scissors
- [ ] Pencil
- [ ] Ruler
- [ ] Thin gold twine, about 12 in per star
- [ ] Hole punch
- [ ] Warm-white LED fairy lights, battery (optional)
- [ ] Small gold card star for the centre (optional)

Step by Step

- [ ] Flatten 9 bags; stack flap-side down, edges lined up.
- [ ] Draw an upside-down T: 1 in above flap, stem up centre.
- [ ] Glue the T, press the next bag on; repeat for all nine.
- [ ] Mark the top-edge centre; cut both top corners to it.
- [ ] Cut through all nine layers; keep the stack squared up.
- [ ] Fan the bags open until the two end bags meet.
- [ ] Glue the ends with the same upside-down T shape.
- [ ] Punch a hole near a seam; thread twine and tie a loop.
- [ ] Hang in a window with LED lights tucked behind.
