Quilling Snowflake Ornament

Easy | about 25 minutes hands-on per snowflake + 1-2 hours drying

WHAT YOU'LL NEED

- [ ] 6 sheets of copy paper or light cardstock
- [ ] Craft knife and metal ruler (or paper trimmer)
- [ ] Slotted quilling tool or wooden toothpick
- [ ] White craft glue (tacky glue)
- [ ] Tweezers
- [ ] Wax paper or parchment paper
- [ ] Toothpicks for glue
- [ ] Thin ribbon or baker's twine, 6 x 15 cm
- [ ] Small paintbrush (optional)
- [ ] Fine glitter (optional)

NOTES

Step by Step

- [ ] Cut paper into 5 mm strips with knife and ruler
- [ ] Roll each strip around a toothpick into a coil
- [ ] Glue strip ends, then pinch coils into shapes
- [ ] Make 6 teardrops, 6 marquise shapes, 1 tight coil
- [ ] Arrange shapes into a six-point star on wax paper
- [ ] Glue joints with a toothpick dab; hold 15 seconds
- [ ] Dry flat 1 to 2 hours until rigid
- [ ] Add a twine hanger loop and dry completely

NOTES
