Suit of Cups Card Comparison Workbook

Choose two Cups cards; note imagery, consult your guidebook, and compare themes for self-reflection.

OBSERVE TWO CUPS CARDS

Card A: name and deck

Card B: name and deck

Card A: visible symbols and details

Card B: visible symbols and details

Card A: guidebook themes in your words

Card B: guidebook themes in your words

Compare Symbols and Themes

Which visual details do the cards share?

What differs in their water, cups, figures or setting?

Which guidebook themes overlap, and which differ?

How might another reader interpret these details?

Reflect Without Predicting

Which theme connects with something you notice today?

What open-ended question does this comparison raise?

What remains uncertain or open to interpretation?

What would you like to study next?
